

Miscellaneous

The Sunshine Club

Sunshine Club includes members and/or immediate family members who are seriously ill, hospitalized or, in the event of death, will be sent flowers, plant, memorial, or card. An amount up to \$25 will be sent when a member dies or is seriously ill. A card will be sent if a member's spouse, child, mother, father, or sibling dies. In special circumstances and with the current officers approval, certain exceptions and arrangements can extend beyond these limits.

Please notify the sunshine club representative if you know of a member that should receive any of the above. The current sunshine club representative will be listed in the newsletters.
