

"The Cooperative Booth for WVAA Members at Art in the Park"

(Formally the "Miniature Show" for WVAA Members Booth)

The Art in the Part Committee is again offering a booth to the WVAA Members to share as a Cooperative Booth, to showcase and be able to sell their original artwork at Art in the Park.

The specifics have been changed to offer WVAA members the option to show and sell a variety of sizes of original artwork, 3 dimensional artwork, and reprints/prints of their artwork in different formats.

(This is a work in progress... we keep on trying to improve each year from the lessons and experiences of the previous year. Don't forget, "Change is good...")

The specifics: (We've tried to keep this simple....)

*All artwork must be the original or prints/reprints of your original work.

*Include the sales tax in your price on your labels. You are responsible to report your own sales/tax.

*All purchases will be made with checks written directly to the artist or paid with cash. Payment will be received after 5:15 pm on Sunday, Sept. 13th.

*Any unsold artwork must be picked up at the booth after 5:15 pm on Sunday, Sept. 13th.
